Not Insurance, Just Savings!™

A program whose time has come!

The National Access Plan™ program provides a real solution to the healthcare crisis.

We have developed a Network of natural doctors and practitioners that specialize in true preventative health care.

These highly trained professionals specialize in a wide array of natural and preventative healthcare techniques.

Our Network was designed to help our members detect illness or disease early so they can take advantage of natural options that provide greater safety with far less side effects!

If there should be an accident or a major illness that requires hospitalization our specialized "Family Accident Plans" can provide money when you need it most to handle these unexpected expenses. In the event of an accident our program will pay you directly so that you can decide how your money will be spent.

Our Comprehensive Program includes many important benefits designed to help the entire family.

- 20% - 60% Off Dental services, including cavities, crowns, dentures, braces.
- 20% - 60% Off Vision services, including glasses, exams and LASIK
- 20%- 60% Off of Prescription Drugs
- FREE Legal Advice and ID Theft protection
- FREE Roadside Assistance Program
- Discounted Mortgage Closing Costs
- Financial Wellness Services includes credit restoration services.
- And much, much more!

Find out how you can join our program...

Protect your entire household with all these
